How does the

SUPER BUS-PASS

work?*

- The **Super Bus-Pass** is the NEW PAYMENT SYSTEM, that means you **cannot use cash** to pay for your bus ride.
- It is very easy to get a **Super Bus-Pass** as they are available at 600 outlets in Nelson Mandela Bay.
- It is SIMPLE because with ONE **Super Bus-Pass** you can travel as much as you want for up to a month.
- The **Super Bus-Pass** is flexible so you can buy the pass that suits YOUR specific needs - whether you take the bus every day or once a week - there is a pass for you!
- It is much SAFER because you do not have to take cash with you.
- It is CHEAPER because the more you ride, the cheaper it gets.
- The **Super Bus-Pass** will be compulsory for travel as from **Monday 3 August 2009**. Current coupons are not valid after **Friday 31st July 2009**.
- To establish which category you need to purchase, see the ROUTES LIST on the back page of this leaflet.
- **REMEMBER to keep your Super Bus-Pass for the duration of validity because you only use one pass for the specified period. REMEMBER that your Super Bus-Pass is also needed for inspection purposes.**
- The **Super Bus-Pass** makes it **safer for YOU**, the commuter as well as **OUR DRIVERS**, by eliminating cash from the bus that may encourage potential criminal action.
